# MAYOR'S OFFICE CITY OF OAKDALE

# A PROCLAMATION

by the Mayor of the City of Oakdale

# JUNE 2016, AS DISABILITY AWARENESS MONTH

WHEREAS, the City Council of the City of Oakdale have recognized healthy communities as a priority; and

- WHEREAS, disabilities can affect all people, regardless of race, age, gender, or social status and the essence of life is not embodied by physical or mental perfection, but it is an integral part of the human spirit; and
- WHEREAS, increasing public awareness about diverse abilities is vital to fighting the stigma and discrimination that often serve as a barrier to employment, socialization, and individual well-being; and
- WHEREAS, there are an estimated 4,050,631 people with disabilities in the State of California, and over 68,840 people over the age of 5, with disabilities in Stanislaus County; and
- **WHEREAS,** within the next year, at least one out of eight Californians will experience a disability personally or through a family member; and
- WHEREAS, the City of Oakdale wants to celebrate and recognize people with difference abilities; and;
- WHEREAS, education, understanding, access engagement, and relationships are important components of a connected, livable, and healthy community; and
- WHEREAS, communities thrive when residents appreciate the unique gifts inside people of all abilities; and
- WHEREAS, by developing relationships with our neighbors, we make our community a place where everyone participates and is a valued member; and

WHEREAS, the Society for disABILITIES will commemorate June 2016, and each June hereafter, as Disability Awareness Month.

**NOW, THEREFORE, LET IT BE PROCLAIMED the City Council of the City of Oakdale** that June 2016 is Disability Awareness Month within the City of Oakdale and we urge all our citizens to become aware of the needs and capabilities of persons with disabilities.

Signed this 18th day of May, 2016.

### CITY OF OAKDALE CITY COUNCIL STAFF REPORT

Date: May 16, 2016

To: Mayor and City Council

From: Thom Clark, Public Services Director

Subject: Consideration of Awarding a Bid to R&K Automatic Gate & Access in the Amount of \$12,483.47 from Wastewater Treatment Plant Fund 622 for a Security Gate at the Wastewater Treatment Plant

# I. BACKGROUND

The entrance to Oakdale's Wastewater Treatment Plant (WWTP) currently has a manually operated gate. This means that during working hours the gate is always open. This allows easy entry by unauthorized personnel. We often have people looking for the Animal Control Facility come to the WWTP office, for instance. The WWTP is an inherently dangerous environment for the general public to enter, so a security gate is needed to control access.

# II. DISCUSSION

Staff has solicited bids from three firms for the gate hardware and installation. The bids are as follows:

Contractor	Bid
R&K Automatic Gate & Access	\$12,483.47
R&S Erection Tri-County Inc.	S15,998.00
Valley Entry Systems, Inc.	\$15,710.00

# III. FISCAL IMPACT

R&K Automatic Gate & Access is the low bidder with a bid of \$12,483.47. Monies are available in this year's budget under the WWTP Fund 622

# IV. RECOMMENDATION

Move that the City Council adopt the resolution awarding a bid to R&K Automatic Gate & Access in the amount of \$12,483.47 from Wastewater Treatment Fund 622.

# A RESOLUTION OF THE CITY OF OAKDALE CITY COUNCIL AWARDING A BID TO R&K AUTOMATIC GATE & ACCESS IN THE AMOUNT OF \$12,483.47 FROM WASTEWATER TREATMENT PLANT FUND 622 FOR A SECURITY GATE AT THE WASTEWATER TREATMENT PLANT

THE CITY OF OAKDALE CITY COUNCIL DOES HEREBY RESOLVE THAT:

**WHEREAS**, the Oakdale Wastewater Treatment Plant does not currently have a gate that is able to prevent access to the Plant by the general public; and

**WHEREAS**, the Wastewater Treatment Plant is an inherently dangerous environment suitable for access by professionals only; and

**WHEREAS**, an automatic gate will prevent access to the plant by persons that should not enter the grounds; and

**WHEREAS**, staff has procured three bids for an automatic security gate and the low bidder is R&K Automatic Gate & Access; and

**NOW, THEREFORE, BE IT RESOLVED** that the **CITY COUNCIL** hereby awards the low bid for a security gate to R&K Automatic Gate & Access in the amount of \$12,483.47 to be paid from Wastewater Treatment Plant Fund 622.

### CITY OF OAKDALE CITY COUNCIL STAFF REPORT

**Date:** May 16, 2016

To: Mayor and City Council

From: Colleen Andersen, Management Analyst

Reviewed by: Thom Clark, Public Services Director

Subject: Consideration of a Resolution Authorizing the City Manager to Execute an Agreement with Disability Access Consultants, Inc. for an ADA Self-Evaluation and Transition Plan to be Funded From Gas Tax Fund 215

# I. BACKGROUND

The Americans with Disabilities Act (ADA) mandates local government to provide equal opportunity for individuals with disabilities. The ADA Title II requires public entities with 50 or more employees to develop a transition plan which develops inaccessible facilities, programs, services, and activities to be accessible for individuals with disabilities.

# II. DISCUSSION

On February 3, 2016, the Public Services Department staff solicited a Request for Proposal (RFP) for an ADA Self-Evaluation and Transition Plan. On March 4, 2016, the City received Proposals from 3 firms:

- 1. Disability Access Consultants
- 2. MIG
- 3. Sally Swanson Architects, Inc.

Staff reviewed the proposals submitted by these consultants on the basis of several criteria, including experience, cost of services and general quality of the submitted proposal. After careful consideration, staff recommends Disability Access Consultants (DAC) as the most qualified firm.

DAC has extensive experience during the past 18 years in assisting public entities to comply and implement accessibility requirements in accordance with the ADA, Title 24 of the California Building Code, Section 504 and related federal, state and local disability-related nondiscrimination laws and regulation. DAC has also recently completed an ADA Self-Evaluation and Transition Plan for the City of Waterford. DAC comes highly recommended by the City of Waterford.

 
 SUBJECT:
 Consideration of a Resolution Authorizing the City Manager to Execute an Agreement with Disability Access Consultants, Inc. for an ADA Self-Evaluation and Transition Plan

 MEETING DATE:
 May 16, 2016

# III. FISCAL IMPACT

In November of 2014, the City Council approved a budget of \$50,000 for Fiscal Year 2015/16 as well as Fiscal Year 2016/17 for a total budget of \$100,000 from the Gas Tax Fund 215 for the preparation of an ADA Self-Evaluation and Transition Plan.

# IV. RECOMMENDATION

That the City Council adopt the Resolution Authorizing the City Manager to Execute an Agreement with Disability Access Consultants for a ADA Self Evaluation and Transition Plan in the Amount of \$58,595.00, to be Funded from Gas Tax Fund 215.

# CONSULTANT AGREEMENT CITY OF OAKDALE AND CONSULANT FOR THE CITY OF OAKDALE ADA SELF-EVALUATION AND TRANSITION PLAN

This Agreement is made and entered into this \_\_\_\_\_day of \_\_\_\_\_\_, by and between CITY OF OAKDALE (CITY) and **DISABILITY ACCESS CONSULTANTS**, (CONSULTANT) regarding **ADA SELF-EVALUATION AND TRANSITION PLAN PROJECT** hereinafter referred to as (PROJECT).

# WITNESETH:

CITY desires to retain the services of CONSULTANT regarding services for the "PROJECT". CONSULTANT desires to perform the services requested by CITY regarding the PROJECT on the terms and conditions set forth below.

NOW, THEREFORE, the parties agree as follows:

1. Description of Work

CONSULTANT shall perform the work set forth in Exhibit A, attached hereto and made a part hereof.

CONSULTANT shall provide all labor, equipment, material and supplies required or necessary to properly, competently and completely perform the work or render the services under this Agreement. CONSULTANT shall determine the method, details and means of doing the work or rendering the services.

2. <u>Compensation</u>

The total cost of the PROJECT described in Exhibit B hereof shall not exceed **\$58,595.00**. Compensation shall be on a time-and-expense basis, based on the work described in Exhibit A.

3. <u>Term and Time For Completion</u>

This Agreement shall become effective on the date first hereinabove written and will

continue in effect until the services provided herein have been completed, unless sooner terminated as provided in Paragraph 9.

### 4. Payment For Services

CONSULTANT shall submit to CITY monthly itemized bills for the services rendered. If the work is satisfactorily completed, CITY shall pay such bill within thirty (30) days of its receipt. Should CITY dispute any portion of any bill, CITY shall pay the undisputed portion within the time stated above, and at the same time advise CONSULTANT in writing of the disputed portion within 14 days.

# 5. <u>Compliance With Laws</u>

CONSULTANT agrees that it shall conduct its work and perform its services in compliance with all laws and regulations of CITY OF OAKDALE, COUNTY OF STANISLAUS and STATE OF CALIFORNIA, and any officer, department or agency thereof, as well as other laws and regulations as may be applicable thereto.

#### 6. Errors and Omissions Insurance

CONSULTANT shall have such errors and omissions insurance as shall protect CITY, it's officers, directors, employees and agents from claims based on alleged errors or negligent acts or omissions which may arise from CONSULTANT's operations or performance under this Agreement, whether claims be made during or subsequent to the term of this Agreement, and whether such operations or performance be by CONSULTANT or its employees, consultants, agents or anyone else directly or indirectly employed by any of the foregoing. The amount of this insurance shall not be less than \$1,000,000.

Said policy shall be continued in full force and effect during the term of this Agreement and for a period of three (3) years following the completion of the services provided for in this Agreement. In the event of termination of said policy, new coverage shall be obtained for the required period to insure for the prior acts of CONSULTANT during the course of performing services under the terms of this Agreement.

CONSULTANT shall provide to CITY a certificate of insurance on a form acceptable to CITY indicating the deductible or self-retention amounts and the expiration date of said policy, and shall provide renewal certificates within ten (10) days after expiration of each policy term.

7. <u>General Insurance</u>

CONSULTANT shall, at its expense, maintain in effect at all times during the duration of this Agreement not less than the following coverage and limits of insurances:

- <u>Workers Compensation</u> CONSULTANT shall carry such insurance as will protect CITY and CONSULTANT from claims under Worker's Compensation and Employers' Liability Acts; such insurance to be maintained as to the type and amount in strict compliance with State statutes. This insurance shall also waive all right to subrogation against CITY, its employees, directors, officers and agents.
- 2. <u>General Liability</u>. CONSULTANT shall obtain and keep in full force and effect general liability insurance including provisions for contractual liability, personal injury, independent CONSULTANTs and broad form property damage coverage. This insurance shall be on a comprehensive occurrence basis form with a standard cross liability clause or endorsement. The limit for this insurance shall be no less than \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this service/location or the general aggregate limit shall be twice the required occurrence limit.
- 3. <u>Automobile Liability</u>. CONSULTANT shall maintain automobile liability insurance with coverage for any vehicle including those owned, leased,

rented or borrowed. This insurance shall have a standard cross liability clause or endorsement. The limit amount for this insurance shall be no less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage.

4. <u>Certificates of Insurance</u>. Prior to commencement of any work, CONSULTANT shall provide CITY with certificates of insurance evidencing that all insurance and/or endorsements required by this Agreement have been obtained and are in full force and effect. Approval of the insurance by CITY shall not relieve or decrease any liability of CONSULTANT. The certificates and policies shall provide that thirty (30) days' written notice of any material change, reduction in coverage or cancellation of the insurance policies will be provided to CITY. In addition, in the event any change is made in the insurance carrier, policies or nature of coverage required under this Agreement, CONSULTANT shall notify CITY prior to making such changes.

Such insurance shall include a provision for endorsement naming CITY, its officers, directors, employees and agents as additional insured's with respect to liability arising out of the performance of any work under this Agreement, and providing that such insurance is primary insurance with respect to the interest of CITY and that any other insurance maintained by CITY is excess and not contributing insurance with the insurance required hereunder.

- 5. All companies shall be licensed by the California Department of Insurance to write the type of insurance provided.
- 8. Indemnification and Hold Harmless

CONSULTANT shall protect, indemnify, hold harmless and defend CITY, its directors, officers, employees and agents, from any and all claims, fines, demands, costs,

expenses (including but not limited to attorney's fees and costs of litigation or arbitration), liability, losses, penalties, causes of action, awards, suits or judgments for damages of any nature whatsoever (hereinafter collectively referred to as "Claims") to the extent arising out of the breach of this Agreement in whole or in part by, or willful or fraudulent misconduct or negligent acts, errors or omissions by CONSULTANT, its employees, agents or consultants, or the agent, employee or consultant of any one of them in the performance of their duties or in their operations under this Agreement, but not including the sole or active negligence or the willful misconduct of CITY.

Neither termination of this Agreement nor completion of the acts to be performed under this Agreement shall release CONSULTANT from its obligations to indemnify as to any claims so long as the event upon which such Claims is predicated shall have occurred prior to the effective date of any such termination or completion and arose out of or was in any way connected with performance or operations under this Agreement by CONSULTANT, its employees, agents or consultants, or the employee, agent or consultant of any one of them.

Submission of insurance certificates or other proof of compliance with the insurance requirements in this Agreement does not relieve CONSULTANT from liability under this indemnification and hold harmless clause. The obligation of this indemnity article shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

# 9. <u>Termination</u>

This Agreement may be terminated at any time and for any reason by CITY upon five (5) days advance written notice. In the event of such termination, CONSULTANT is to be fairly compensated for all work performed to the date of termination as calculated by CITY based on Paragraph 2 hereof, provided that such compensation shall not in any case exceed the maximum sum set forth in Paragraph 2 hereof. Compensation under this

- 5 -

paragraph shall not include costs related to lost profit associated with the expected completion of the work or other such payments relating to the benefit of the bargain.

#### 10. <u>Attorney's Fees</u>

In the event that any arbitration, litigation or other action or proceeding of any nature between CITY and CONSULTANT becomes necessary to enforce or interpret all or any portion of this Agreement or because of an alleged breach by either party of any of the terms hereof, it is mutually agreed that the losing or defaulting party shall pay the prevailing party's reasonable attorney's fees, costs and expenses incurred in connection with the prosecution or defense of such action or proceeding.

### 11. Entire Agreement

This writing constitutes the entire Agreement between the parties relative to the services specified herein, and no modifications hereof shall be effective unless and until such modification is evidenced by a writing signed by both parties to this Agreement. There are no understandings, agreements, conditions, representations, warranties or promises with respect to the subject matter of this Agreement except those contained in or referred to in this writing.

# 12. Non-Collusion

CONSULTANT will sign a non-collusion affidavit pursuant to California Public Contract Code Section 7106.

#### 13. Mediation and Arbitration

The parties shall comply with California Public Contract Code Sections 20104, et seq.

### 14. Prevailing Wage

Pursuant to Section 1770, et seq., of the California Labor Code, the CONSULTANT shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Industrial Relations Department.

- 6 -

# 15. Independent CONSULTANT

It is expressly understood and agreed by the parties hereto that CONSULTANT's relationship to CITY is that of an independent CONSULTANT. All persons hired by CONSULTANT and performing the work shall be CONSULTANT's employees or agents. CITY shall not be obligated in any way to pay any wages or other claims by any such employees or agents or any other person by reason of this Agreement. CONSULTANT shall be solely liable to such employees and agents for losses, costs, damage of injuries by said employees or agents during the course of the work.

#### 16. Successors and Assignment

This Agreement shall be binding on the heirs, successors, executors, administrators and assigns of the parties; however, CONSULTANT agrees that it will not assign, transfer, convey or otherwise dispose of this Agreement or any part thereof, or its rights, title or interest therein, or its power to execute the same without the prior written consent of CITY.

#### 17. Severability

If any provision of this Agreement is held to be unenforceable, the remainder of this Agreement shall be severable and not affected thereby.

### 18. Waiver of Rights

Any waiver at any time by either party hereto of its rights with respect to a breach or default, or any other matter arising in connection with this Agreement, shall not be deemed to be a waiver with respect to any other breach, default or matter.

### 19. <u>Remedies Not Exclusive</u>

The use by either party of any remedy specified herein for the enforcement of this Agreement is not exclusive and shall not deprive the party using such remedy of, or limit the application of any remedy provided by law.

# 20. Notices

All notices, statements, reports, approvals or requests or other communications that are

required either expressly or by implication to be given by either party to the other under this Agreement shall be in writing and signed for each party by such officers as each may, from time to time, authorize in writing to so act. All such notices shall be deemed to have been received on the date of delivery if delivered personally or three (3) days after mailing if enclosed in a properly addressed and stamped envelope and deposited in the U.S. post office for delivery. Unless and until formally notified otherwise, all notices shall be addressed to the parties at their addresses shown below:

#### Exhibit A Scope of Work

The following is a scope of services for the development of the City's ADA Self-Evaluation and Transition Plan.

- 1. Conducting a self-evaluation of all relevant public facilities, programs, services, and activities, to include research, field data collection, and data analysis,
- 2. Coordinating the involvement of various stakeholders to include elected officials, City staff, disability advocacy groups, and the general public throughout the process,
- 3. Developing a Transition Plan which will identify and prioritize current pedestrian barriers, provide a schedule for barrier removal, as well as establish procedures for addressing future accessibility issues,
- 4. Providing management, monitoring, and tracking tools that will allow staff to manage current and future accessibility issues, update the deficiency status, and generate reports to show progress in meeting the Transition Plan.

#### Phase I: Self-Evaluation

- Meet with designated City staff, hereinafter referred to as "ADA Compliance Team", to discuss project expectations, survey methodology and a schedule for project deliverables. This will be an opportunity for the Consultant to review and clarify questions related to the project's scope and familiarize themselves with important issues and availability of resources. It's the intention of the City for the Consultant to serve in a project management capacity throughout the project with general direction from the ADA Compliance Team.
- 2. Meet with a group of citizen stakeholders comprised of disability advocates, handicapped citizens, and general members of the public, hereinafter referred to as the "ADA Advisory Team", to describe the process, timeline, and expectations associated with both phases of work, as well as receive any general input they may provide.
- 3. Conduct field surveys of City facilities, parks and parking lots (refer to attachments) that may be accessed by the public and are therefore required for review and inclusion by ADA. The surveys will focus on the evaluation of architectural barriers, including path of travel, both in the public right-of-way within and around the facility, and provide an initial recommendation in terms of priority for barrier removal.
- 4. Due to limited City staff availability it is the intent of the City that these field surveys be largely conducted by the Consultant solely; surveys requiring City staff assistance should be coordinated through the ADA Compliance Team and scheduled in a way that minimizes the impact to the regular workloads of the applicable staff members.
- 5. Compile survey data in a useable and easily accessible format, which should include a version compatible with Microsoft Excel. Compile data and meet with ADA Compliance Team to review and analyze data gathered from the survey process.

- 6. The Consultant shall develop and provide the City with a city-wide reference project map. The map shall fully show distinct point for each identified barrier to access. The map should be in an AutoCAD and GIS format to include all shape files.
- 7. Produce a Field Survey Report, which will be a detailed report that profiles the various deficiencies found. This report should be provided in both printed (color) and electronic (PDF and Microsoft Word) formats, with members of both teams provided a copy of each. This may also include a presentation component that outlines material provided in the report.
- 8. Present the facility survey report to the ADA Compliance Team. Solicit and record all feedback, as well as make changes as directed by the team.
- 9. Present the facility survey report to a joint meeting of the ADA Compliance Team and the ADA Advisory Team. Solicit and record all feedback.

#### Phase II: Transition Plan Development

- Develop a first draft of the ADA Transition Plan (Plan) based on prior research and data collection, the Field Survey Report, recommended priority levels typically associated with each type of deficiency, and determine available funding working with the ADA Compliance Team. Include any recommended changes to funding levels necessary to achieve the recommended goals.
- 2. Meet with the ADA Compliance Team to review the draft document, identify project priorities, and solicit feedback for refining the various components. Incorporate any comments or changes made by this team into the draft Plan.
- 3. Meet with the ADA Advisory Team to review the draft document, identify project priorities, and solicit feedback for refining the various components. The Consultant shall document all suggestions.
- 4. Meet with members of the community at-large at an advertised public meeting, to be held in the evening on a weekday, to review the draft document, identify project priorities, and solicit feedback for refining the various components. The Consultant shall document all comments and suggestions. In addition to standard advertising requirements (see City Clerk), the Consultant shall engage in a concerted public outreach effort prior to this meeting using a variety of mediums. This effort should include (at a minimum) weekly advertisements in the Oakdale Leader in the four weeks leading up to the meeting and a notice posted on the City's website for the same duration.
- 5. Meet with the ADA Compliance Team to review the feedback from all teams and members of the public and develop recommendations on potential changes. All changes should then be incorporated into the second draft.
- 6. Prepare and produce a second draft of the ADA Transition Plan (completed) that is clear, concise, and user-friendly. It should include a detailed description of identified barriers, as well as the schedule or plan identified for removing those barriers and a summary of the public input received.
- 7. Present (3) copies of the second draft Plan to the ADA Compliance Team and (5)

Copies of the second draft Plan to the ADA Advisory Team for final comments and suggestions. These documents should clearly be denoted as "draft" on the cover. The Consultant shall seek concurrence from both teams and the CSJVRMA prior to presentation of the Plan to the City Council and incorporate any final changes as appropriate. These changes shall result in the third (final) draft.

- 8. Provide to the ADA Compliance Team (5) printed, full-color copies of the final draft ADA Transition Plan, as well as (5) electronic copies on either CD or DVD. Also, provide a summary of the project, to include an overview of the process, the comments received, participation of various stakeholders, and end result. This summary will be provided to the City Council and released to the public.
- 9. Present the final draft ADA Transition Plan at a regularly scheduled council meeting (TBD) for discussion and adoption by the City Council.
- 10. The Consultant shall provide the City with an electronic database of items contained in the Facility Survey Report. This database should be in a Microsoft Excel format.
- 11. The Consultant shall provide the City with an electronic version of the ADA Transition Plan This document should be in a Microsoft Word and PDF format.
- 12. The Consultant shall provide the City with a database-driven electronic monitoring, tracking, and management mechanism at project completion that allows for reviewing and updating progress in barrier removal, to include generating reports of such progress and annual compliance review checklist.
- 13. The Consultant shall develop and provide the City with a city-wide reference project map to be included in the Transition Plan. The map shall fully show distinct point for each identified barrier to access. The map should be in an AutoCAD and GIS format to include all shape files.

Subject:	Part-Time Salary Schedule Adjustments

#### I. BACKGROUND

The City's Rules and Regulations for the Employment of Part-Time and Temporary Employees identify a number of part-time and temporary employment classifications and include salary schedules based on an hourly rate of pay for these positions (Attachment B.) The current part-time salary schedule was last updated in July 2015.

#### **II. DISCUSSION**

Since the last part-time salary schedule update, the State government has approved a minimum age increase. Effective January 1, 2016, the minimum wage increased from \$9.00 to \$10.00 per hour. Although staff has adjusted salaries to comply with the new law, this proposed part-time and temporary salary schedule is being brought to Council for formal adoption.

#### **III. FISCAL IMPACTS**

The only departments that have been impacted by the minimum wage increase has been Parks & Recreation (Lifeguards) and the Police Department (School Crossing Guards). There are no other part-time positions affected. No appropriations were needed to cover the increased costs in the FY 2015-16 budget. The increase will be included in the proposed FY 2016-17 budget.

#### **IV. RECOMMENDATION**

Adopt the Resolution Approving the Revisions to the Salary Schedule for Part-Time and Temporary Employees.

#### CITY OF OAKDALE CITY COUNCIL STAFF REPORT

Date:May 16, 2016To:Mayor Pat Paul, Members of the Oakdale City CouncilFrom:Bryan Whitemyer, City ManagerSubject:Review and consider a Resolution of the City of Oakdale City Council<br/>approving the layout of the South Yosemite Community Park

#### I. BACKGROUND / DISCUSSION

On March 22, 2016, the City Council held a special City Council meeting to discuss the plans for the South Yosemite Avenue Community Park. The discussion focused on keeping the users of the park safe since South Yosemite Avenue is an extremely busy roadway and runs parallel to the park site. With this in mind the City Council considered the idea of fencing the park to minimize the access of park users to South Yosemite Avenue or the other roadways that boarder the park.

Specifically, the majority of the council requested that a five foot tube steel fence be installed at the front of the sidewalk along South Yosemite Avenue.

Staff has worked with the project architect and has developed an option that encloses the fence with a five foot tube steel fence on the north, south and west sides of the park. The east side of the park will have a six foot tall chain link fence with black vinyl coating.

The park will also have four entry points into the park. The entryways are described as Major Gateways and Minor Gateways. There will be a Major Gateway located at the northwest corner of the park at H Street and South Yosemite Avenue. A second Major Gateway will be located on the west side of the park near I Street. The two Minor Gateways are located at the south end of the park at or near J Street. Attachment A shows the layout of the park, placement of the fence and the gateway locations. A maintenance gate will also be installed at the north end of the park to match the other fencing

Staff believes that the proposed fencing is critical to the success and safety of this park. The gateways have been designed to have attractive architectural features that complement the layout of the park.

#### II. FISCAL IMPACTS

The estimated costs to add the gates and additional fencing to the project are \$112,060.

Cost Breakdown:

- 1. Pilaster, with brick veneer (match downtown Bianchi Center) and precast base and cap: 4 ea @ \$16,000 = \$64,000
- Fencing, upgrade height of tube steel fence along Yosemite Avenue: 830 lf @ \$10/lf = \$8,300
- 3. Fencing, add 5' tall tube steel fencing to north and south ends of park to enclose park: 150 lf @ \$55/lf = \$8,250
- 4. Rolling maintenance gate at H Street edge, matches 5' fence height and design: 20 If @ \$200/If = \$4,000
- 5. Pedestrian gates (minor gateways), 12' wide swinging gates manually opened: 2 sets of gates @ \$3,600 = \$7,200
- 6. Swinging gates at major gateways, 16' wide span manually opened swing gates: 2 sets of gates @ \$7,200/ea =\$14,400
- 7. Steel Arch on top of pilasters with lettering, currently at H Street Gateway only: 1 @ \$30,000 = \$30,000
- 8. Paving, REDUCTION, replace colored concrete at H Street plaza area with standard gray concrete, 4,818 sf @ \$5/sf = (\$24,090)

#### III. RECOMMENDATION

Staff recommends the City Council approve a resolution that modifies the layout of the South Yosemite Community Park to include additional gates and fencing to enhance the safety of the park.

Re: May 2016 Administration Department Report

In an effort to highlight the work being done by all City Departments, City staff provides monthly activity reports to the City Council at the 2<sup>nd</sup> City Council meeting of each month. These reports are included in the agenda packet as an informational item but council members are encouraged to ask questions about any of the items listed in the report. The purpose of these reports is to help keep the City Council and the public apprised of the work being done in all areas of city operations.

#### Administration Department Activities

- Negotiated the sale of the Church Building located at the northwest corner of E Street and N. 3<sup>rd</sup> Avenue. The Church Building will be moved to the vacant lot located at the southwest corner of Walnut Avenue and 1<sup>st</sup> Avenue. The plan for the building is to refurbish it and turn it into a residence. The purchaser is working with PG&E and the mover to coordinate the overhead utility work and structure relocation. We anticipate the move to occur in 45 to 90 days. 4-13-16 UPDATE: The building purchaser continues to work with the utility companies to coordinate a moving date. We still anticipate the move to occur in the next 45 days. 5-12-16 Update: The church will be moved on Tuesday, May 17, 2016.
- As a result of the Police Chief's pending retirement at the end of July the City Manager is working with the Police Chief to prepare a transition plan for the department.
- Met with the City of Newman Police Chief on Friday, April 22 to discuss our dispatch center partnership. Our goal is to ensure that the residents of Newman and Oakdale receive the best dispatch service possible.
- Met with PG&E representative on Friday, April 22<sup>nd</sup> to coordinate the gas line move for the Annex Building as a result of the Church Building being moved.
- Participated in the LOVE Oakdale event on Saturday, April 23, 2016. Led a group of Boy Scouts to help do yard clean up at the Paradise Mobile Home Park on Old Stockton Road and the cemetery on North Sierra.
- Participated in the Solar Farm Interview process on Monday, April 25, 2016 for a
  potential solar farm that may be located at the airport. Three firms were
  interviewed 1) Solar City, 2) Borrego Solar, and 3) 1<sup>st</sup> Light Energy. This is an

extremely complicated project and staff is still exploring its options to ensure that a viable project is selected.

 Attended the Connecting for Good: From Idea to Action conference sponsored by the Stanislaus Community Foundation held on April 28, 2016 at the Centre Plaza in Modesto. I had the opportunity to work with a group to discuss the challenge of reducing the number of individuals experiencing homelessness in Oakdale. The conference provided me with a different perspective and several ideas that I hope will help us as we strive to improve things in the City of Oakdale.

#### **Upcoming Administration Department Activities:**

- Explore options for the Youth Building located across the street from Oakdale High School on Gilbert Avenue. The building was donated many years ago to the City to be used to serve the youth of the community. The building is used a couple of times a week by a Boy Scout troop and by a 4-H Club. Staff will be exploring options to more fully utilize the building.
  - o 2-16-16 UPDATE: The City met with the Center for Human Services on January 15, 2016. They expressed interest in the building but do not have the necessary funds to maintain the building as needed. The City has reached out to the Family Support Network to see if they are interested in and have the resources to utilize and maintain the youth building. 3-16-16 UPDATE: The City has provided the School District with a key to the Youth Building so its facility staff can assess the building. If the School District is able to make use of the building the goal is enter into a longterm arrangement for the school to make improvements to the building and use it as a band room or wrestling room. 4-13-16 UPDATE: The School District has informed the City that they are interested in utilizing the Youth Building. The Superintendent of Schools and the City Manager are setting up a meeting with the Lions Club to discuss this opportunity with them. 5-12-16 UPDATE: I met with the scout troop leader that organizes the scout activities at the youth building. More work needs to be done to better understand the activities and schedules of both the scout troop and the school so we can make sure both organizations will not be negatively affected by any changes we make.
- Water and Sewer Rate Study: Due to the extreme level of water conservation that has occurred in the City of Oakdale revenues from the sale of water have dropped significantly. In the last two years water revenues have dropped over \$400,000 on an annual basis. This is problematic as the cost of maintaining the

water system has not dropped with the reduction in water usage. With this in mind it is imperative that a rate study be conducted to determine what the appropriate rates are to produce the revenue needed to ensure that the City is able to provide safe, reliable water to its residents. Staff will be presenting a proposal for the rate study to the City Council in June 2016.

- Downtown Parking Improvements: With the move of the Church Building imminent the City is working with its engineer to design a parking lot in its place. This will provide additional parking that is desperately needed in the downtown. Once the Church Building is moved the site will be fenced to secure the location and plans will be presented to the City Council as soon as possible.
- Fiscal Year 2016/2017 Budget Preparations: We are deeply involved in the development of our expenditure plan for the upcoming fiscal year that runs from July 1, 2016 to June 30, 2017. The budget serves as our work plan for the year. This will be presented to the City Council at the June 6, 2016 City Council meeting.

Re: May 2016 Police Department Report

# Below are the latest available crime stats for the calendar year to date (January – March 31, 2016):

Note – Because we've seen drastic increases in several categories this year compared to last year, I calculated an average for Part One Crimes going back ten years. Using a ten year average, 2005-2015, is more statistically valid and not prone to annual fluctuations.

- <u>Aggravated Assaults are up 400% when compared to 2015 YTD is 10.</u> The first three months of 2015 were very slow in the areas of aggravated assaults and misdemeanor juvenile arrests. When comparing the 10 aggravated assaults this year to the 10-year average of 8.1, we have a smaller, more reasonable increase.
- <u>Total citations are up 31% with traffic cites up by 44%.</u> This is primarily due to Prop 47 for criminal citations and Officer Anderson taking the long, vacant Traffic Enforcement Officer position.
- Juvenile arrests are up 112% when compared to 2015 YTD is 30. This is primarily a result of a very slow start in 2015. This is dropping from 900% from the first two-month comparison (January – February 2016). 2015 started with only 3 and then we had 30 in the same time period 2016.
- <u>Domestic Violence is also up.</u> We have seen a 150% increase here, although the level of severity of injury is staying low. My guess is that the increase is mostly due to Prop. 47 causing most of our drug addicts to cycle out of jail early and allowing more opportunity for domestic violence. Recent statistics have confirmed that Prop. 47 has caused a notable jump in violent crime throughout the state in addition to the drastic increase in property crimes.

## **INCIDENT BREAKDOWN**

The Police Department responded to approximately 2,403 incidents/calls for service in the month of April. Below is a list highlighting just a few of the various incident types and counts. The comprehensive list of incidents is attached to the end of this report (Attachment B).

Incidents By Incident Type April 2016		
Suspicious Person	68	
Suspicious Vehicle	56	
Audible Alarm	87	
Silent Alarm	8	
Reckless Driving	18	
Pedestrian Contact	112

# PATROL

The following are a few noteworthy arrests/cases for April:

- On 4/6/16, Officers Russell and Vanderheiden investigated a child cruelty case. A 3-year old child was left unattended on the street. The mother was found down the street in a vehicle and under the influence of heroin. The mother was arrested and the child was released to CPS.
- On 4/8/16, Officers were dispatched to a suspicious person walking near the high school armed with a gun. Officer Gardette located the subject walking near the hospital and saw that he had a short-barreled shotgun concealed in his waistband. The subject was taken in to custody and arrested.
- 4/8/16, Officer Gardette stopped a car for speeding. Upon further investigation, the occupant of the vehicle was found to have narcotics on them. He was taken in to custody and subsequently booked. It was determined later, that the subject had lied about his identity and was wanted in connection with a burglary of the VFW in Turlock.
- On 4/18/16, the Valley First Credit Union on West F Street had been robbed. It was thought that the same individual was responsible for additional robberies in occurred in Escalon earlier that day and in Tracy which occurred earlier that week. Detective Johnson assisted with the arrest and gathering of evidence from the robbery. He worked with other law enforcement agencies to connect the suspect to five bank robberies in Manteca, Lodi, Tracy, Escalon and Oakdale.

- On 4/18/16, while out patrolling neighborhoods, Officer Stever located a vehicle with an open car door. It was approximately 10:30 at night and not seeing any one around, he stopped to investigate, thinking it could have been broken in to. After running the plates, the vehicle was found to be stolen out of Modesto. Officer Stever searched the vehicle and found evidence that led him to the suspect who was also in possession of methamphetamine and heroin. The suspect was arrested for the stolen vehicle and subsequent possession of drugs.
- Officer Walsh has been working a child molest/sex with minor case. His excellent initial investigation, evidence collecting and follow through is having a direct impact on assisting Detectives in being able to make an arrest of the suspect.
- Officers working the GDP (Guns, Drugs, Probation) team did three nights of extra enforcement in the month of April, targeting gangs, drugs and probation violators.
- When staffing is available, Officers continue to provide extra patrol on bicycles and on foot. The bicycles are much more effective in the neighborhoods with walking trails and alley ways. These patrols result in several arrests, recovery of stolen items and confiscation of various drugs.
- Dispatch received several complaints about transient types last month. One caller reported a homeless camp set up in the alley behind JC's Restaurant on F Street. Another caller reported there were homeless people living in the storage units on N. Yosemite and A Street and that they were possibly in possession of stolen bicycles. There was also a report of transient types stealing garbage cans in the Church Avenue area. Officers responded to, investigated each complaint, and continue to make their presence known to the transient population on a daily basis.

## **EVENTS AND PROJECTS**

 With the support of our CAPS and Explorer members, and assistance from the Sheriff Department's STAR volunteers, the Police Department provided a large presence at this year's rodeo events. Our Mounted Posse participated in the rodeo parade and provided crowd control at the rodeo grounds. We also had Our CAPS and Explorers members put in approximately 95 hours (collectively) of volunteer time, assisting with street closures and crowd control before and during the parade.

We also hosted an "Avoid the 12" event, a countywide DUI enforcement program, that Friday through Sunday. With the help of the DUI Task Force, we were able to conduct DUI saturation patrols throughout town and in surrounding areas. The event was a success and resulted in several arrests.

- Each year, the second full week of April is dedicated to the men and women who serve as Public Safety Telecommunicators. This week brings celebration, honor, and publicity focused on the otherwise unsung hero on the other end of the line and is a great opportunity to reflect on the important role of the 911 dispatcher as the first, first responder. This year, Public Safety Telecommunicators week was April 11<sup>th</sup> through April 15<sup>th</sup>. To show our appreciation for the outstanding job they do, the department held an appreciation luncheon for all our Dispatchers and Records Clerks.
- Our department, along with the Newman Police Department, has been selected by the SDEA (Stanislaus Drug Enforcement Agency) to be pilot agencies for a new program called FOCUS (Focusing on Children Under Stress). The program is a notification system between emergency agencies and the schools in their jurisdiction in which the schools are provided with a heads-up when law enforcement responds to an incident where something bad happened that involves a child from their school, such as domestic violence, a parent arrested, etc.

The officer's part consists of making a note in their report of the name, age and school of every child involved in a call of crime, violence or abuse. The note is transmitted to a central hub and before the child gets to school the next day, the principal will have a secured fax, text or email that says to handle that child with care. The goal is to improve the prospects of children who live in an environment with addicts and abusers.

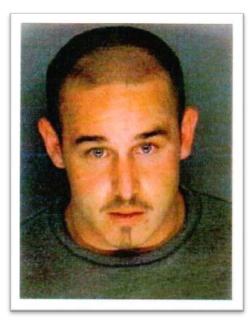

Lt. Redd is the liaison between our department, the School District, and the SDEA and has already coordinated the training for department personnel. We are excited for the program and believe it will be a really good thing for the children in our community.

- The 10-week Volunteer Academy started on April 21<sup>st</sup>. CSO Hilgen has been working with Turlock PD on coordinating the training schedule. Oakdale has three volunteers attending this year year's academy as well as current CAPS members helping to teach them.
- Staff continues to attend planning meetings for The Drugstore Project. This year's event will be held on Tuesday, May 10<sup>th</sup> at Fair Oaks School.

# ONGOING

- Since Chief Jenkins has taken on dispatch, patrol officers are handling the majority of the Neighborhood Watch meetings. Four were scheduled for the month of April: Bridle Ridge, Burchell Hill, River Paradise and River Avenue.
- We continue to hold ongoing recruitment for CAPS members.
- Several staff members attended various trainings last month.
  - Our Traffic Officer, Officer Anderson attended and graduated from an intensive two-week motor training school.
  - Two Officers attended ARIDE (Advanced Roadside Impaired Driving Enforcement).
  - o Our K9 Officers continue to attend monthly canine training.
  - o Three Officers attended SFT (Standardized Field Sobriety Tests) training.
  - Two Officers attended POST required STOP training for perishable skills (Defensive Tactics and Racial Profiling).

# **Bank Robbery**

#### 649 Total Incidents: 382 SCFPD, 234 (Contract Response Areas)

SCFPD: 382

#### **Significant Incidents**

• 4/1/16: BC2, C2, R28, E27, E26, E23 responded to a pin-in on Milnes between Albers and Oakdale Waterford Highway. Upon arrival, units found two vehicles head-on with one driver pinned-in and 11-44. Cause of the crash is unknown.

OFPD: 60

Other: 33

Oakdale City: 174

- 4/18/16: E30, WR28, WR26, BC2, BC3 responded to drowning at Woodward Reservoir. E30 & Water Rescue units conducted a search with the Sheriff's Office Patrol boats to recover the victim. CPR was conducted for 20 minutes and eventually called off and the patient was declared 11-44.
- 4/21/16: E27 crew was training with Boat #28 when they came across two kayakers stuck in a river channel. The kayakers were pulled to safety by Boat #28.
- 4/21/16: WR28, WR24, BC2 responded to Orange Blossom Rec. for a subject in the water. Both units were able to rescue the victim and he was transported to Oak Valley Hospital for evaluation.

#### **Operational Items**

- The red-lined draft corrections to the Cities of Oakdale, Riverbank and Waterford Emergency Operation Plans have been completed and are ready for County OES review.
- Sit-Stat Update: Staff continues to work with MFD and Psomas on server hosting issues that will hopefully be resolved within the next few months. Technical experts continue to work on the interface issues to launch the product.
- Chief Wapnowski and Chief DeHart attended the Ever-bridge meeting. This new program will replace the county-wide Hip-Link notification system at the end of June, 2016.
- Annual TCU/SCFPD pre-fire season meetings are scheduled for May 19<sup>th</sup> in Knights Ferry.
- Attended the County Fire Chiefs meeting and quarterly RFA meetings.
- The new SAFER Firefighters have been doing an excellent job working through their first few months of probation. We are glad to see them on board and continuing with their training.
- The 2016 Woodward Reservoir Fireworks event has been planned with our partnering agencies. The District will staff an engine to attend the event (to be reimbursed by the vendor).
- Pre-meetings for the 2016 Symbiosis event at Woodward are currently underway for planning the event and the incident action plan.
- Engine crews continue to be very busy with operational training evolutions and business inspections within their respective areas. Now they are starting to get very active with the weed abatement season in their respective response areas.
- The District is now starting on the Multi-Jurisdiction Hazardous Mitigation Plan review process with other County Agencies. This process is expected to take multiple months to complete.
- Staff is making significant progress on the Paramedic Program for the District. We are currently working with Oak Valley, Mountain Valley and the Medical Director to complete the required steps for implementation.
- The medical jackets for the agency have been ordered and will start to be delivered this next week. Final shipments will be completed by the end of June.
- Staff is also in the process of updating the Municipal Service Review (MSR) for SCFPD & the Oakdale Fire Protection District. Updates are due to the County by the end of the week.
- Multiple personnel attended the annual CICCS pre-fire season training classes at the RFTC on May 5<sup>th</sup> & 6<sup>th</sup> for the upcoming 2016 Fire Season.

### **Community Events**

- 4/9/16 & 4/10/16: Oakdale units were involved in various aspects and coverage for the Oakdale Rodeo event.
- 4/16/16: Station #27 conducted a station tour for the Cub Scouts.
- 4/19/16: Chief Officers attended the Focus Presentation with Oakdale PD. The program was delivered by the Stanislaus County Probation & District Attorney's Office. The program is currently being implemented throughout the County.

### Explorer Post 3399

• Explorer Coordinators Captain Bachman, Captain Hankins and Captain Tucker continue to strengthen the newly-implemented program for the District. The program continues to move positively forward while providing the necessary guidance and exposure for our future aspiring firefighters.

• Explorer helmet identifications were designed by Signs by Randy in Oakdale and have been ordered by Captain Bachman.

#### **FIRE PREVENTION**

Fire Prevention Inspections:

- On the following page are the statistics of the fire prevention staff activities for the month of April. Fire prevention staff continues to conduct plan reviews of new construction projects and inspections of new and existing occupancies throughout the District, City of Oakdale, and the Oakdale Rural Fire Protection District.
- District Staff worked with the City of Oakdale staff to develop a list of businesses requiring an annual inspection due to State requirements. A letter was distributed to the businesses notifying them of the annual fire inspection. A self-inspection form was included in the correspondence to high-light some of the areas a Fire Prevention Specialist will review during the inspection. The correspondence is included with this Staff Report.
- Fire Marshal Spears also met with the Oakdale Director of Finance to discuss the invoicing of fire prevention services in accordance with the City's fee schedule. A report will be sent to the City of Oakdale's Finance Department on the 20<sup>th</sup> of every month detailing the fire prevention services provided by the Fire District. The City of Oakdale will invoice businesses directly.
- The Fire Prevention Division has observed a significant increase in fire hazard referrals. In the past month the Fire Prevention Division has received several fire hazard inspection referrals in the form of weed abatements. Staff continues to work in notifying property owners of the hazard for proper mitigation.

Significant Projects:

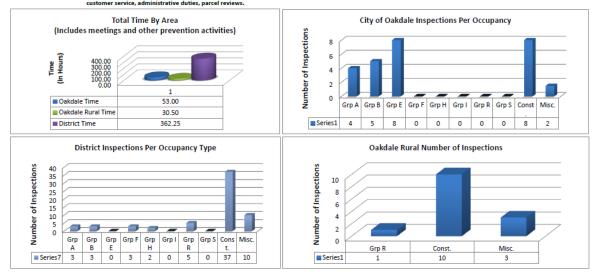

- Staff completed the fire inspections of the Oakdale Rodeo grounds along with many assembly occupancies ahead of the Oakdale Rodeo.
- Staff has begun the review of the upcoming Oakdale Chocolate Festival.

Other:

- Fire Marshal Spears participated as an evaluator in the Fire Marshal interview panel for Stanislaus County.
- Staff continues to provide assistance in the hazard mitigation and emergency operations planning as requested.
- The Fire District has received several inquiries regarding burn permits. Fire Marshal Spears contacted the San Joaquin Air Pollution Control District for information concerning the process. A memo was developed to provide guidance for all future requests.

May 2, 2016

Dear City of Oakdale Business Owners and Service Providers:

On September 1, 2014 the City of Oakdale entered into a contract with the Stanislaus Consolidated Fire Protection District to provide fire services to include fire prevention provisions along with fire safety inspections.

Your business or agency has been identified by the City of Oakdale as requiring an annual inspection. The Stanislaus Consolidated Fire Protection District will contact you to schedule an appointment for the initial inspection. If during this process you are in need of a prompt fire inspection for purposes of licensure or of another time sensitive need and have not been contacted please do not hesitate to contact us to schedule an inspection.

To prepare for the inspection, please read the attached information. The information includes a selfinspection form that reviews many areas the Fire Prevention Specialist will be examining when he or she arrives for your inspection. The items are general requirements based on common Fire Code violations typically observed in businesses.

The City of Oakdale maintains a fee schedule for these services and will invoice your business directly. For fee related questions, please contact the City of Oakdale Finance Department at 845-3571.

Should you have any questions or concerns prior to your inspection, please contact the Stanislaus Consolidated Fire Protection District at 869-7470.

Sincerely, Tmothy Spe

Timothy &pears Fire Marshal

#### SELF INSPECTION FORM

The Stanislaus Consolidated Fire Protection District believes in utilizing a proactive approach to fire prevention and life safety. The mission of the

department is to protect life, environment and property. This is achieved through three fire prevention principles – Education, Engineering, and Enforcement. Our goal is to improve the safety of the citizens and visitors by providing educational tools to our customers to identify potential fire hazards to ensure the necessary corrective action is taken to mitigate the hazard.

The following Self Inspection Checklist is one educational tool for business owners and managers to identify common fire hazards to initiate action for their abatement. It is not, however, intended to take place of an official Fire District inspection. The items below are general requirements based on common Fire Code violations typically found in most businesses. Prompt action should be taken to mitigate the hazard associated with any item marked "No" in the list to improve the safety of the building occupants.

Building Exterior	Yes	No
Address numbers are visible from the street, minimum of 4 inches high, and contrast with		
the background.		
Fire lanes and access roads are clear and unobstructed.		
A minimum 3 feet of clearance is maintained around fire hydrants.		
If the building is equipped with a fire sprinkler or standpipe system, the fire department		
connection has a clear space of at least three (3) feet around connections and caps are in		
place.		
Dumpster or trash containers are a minimum of five (5) feet from building opening or roof		
overhangs.		
Up-to-date keys are within the Knox Box.		
Building Interior	Yes	No
All exit doors are free of obstructions and unlocked during business hours.		
Aisles and exits are free of storage or obstructions.		
Stairways are free of storage.		
Exit signs and emergency lights are operational with primary and emergency power		
supplies.		

Each floor has one fire extinguisher for every 3,000 square feet.		
Fire extinguishers have been inspected and tagged by a licensed contractor with the last		
12 months.		
Fire extinguishers are visible and accessible (not blocked).		
Storage is maintained at least 2 feet from the ceiling.		
A clear space of 30 inches is maintained in front of all electrical panels.		
Extension cords are not used in place of permanent wiring.		
Signs identifying rooms containing fire protection equipment are installed.		
Fire walls are free of holes and maintained in good condition.		
Fire doors are not blocked open and are self-closing and self-latching.		
Clearance is maintained between combustible storage and ignition sources such as heaters and light fixtures.		
Special Systems	Yes	No
Fire sprinkler systems are inspected annually by a licensed contractor.		
Fire alarm systems are inspected annually by a licensed contractor.		
Kitchen fire suppression systems are inspected every six months by a licensed contractor.		
Unobstructed access is provided to all fire protection equipment.		
Storage is maintained 18 inches below sprinkler head deflectors.		
Sprinkler heads are free of paint, lint or other foreign debris.

# Re: May 2016 Public Services Department Report

# Capital Improvement Projects

- Well No. 10: drilling is complete. We have finalized the site plan and are moving forward to improve the well and site. The project is expected to bid by the end of the month.
- Well No. 6: site work is complete. Location is just south of Oakdale Automotive and Tire on Yosemite Avenue. City Council approved purchase of the generator and SCADA equipment at the April 4 City Council meeting. Generator is expected to arrive for installation by the end of June.
- Skate Park: AT&T is off the poles and the poles have been removed except for one on J Street. The street and pedestrian improvement project is right on schedule and we will be bidding the park project next. The street project will have sidewalks ready for the Chocolate Festival.
- Airport Erosion Control: We have FAA approval and CalRecycle's. The contractor will begin work May10th.
- Valley View Burn Dump: we submitted a formal request to CalRecycle for that agency to take over the entire site investigative work and they have agreed to do so for the site, excluding the trail. New sink holes have developed at the extreme northwest corner of the property next to the house on River Bluff. We prepared a Work Plan to fix the problem and CalRecycle has approved the Plan. Basically, we are going to fill the basin in with soil. The plan commenced on May 5<sup>th</sup>.
- Valley View Trail: we have submitted a draft Work Plan to CalRecycle to cover the trail with two feet of fill dirt. CalRecycle has approved the Work Plan. We are waiting for the contractor to finish up another job he is working on and for the soil to dry before they can get back on it. The contractor will start work the end of May pending review of remediation change order.
- Airport Fence Improvements Phase I: Project is currently is design phase. Improvements consist of new fence at Laughlin Road and around park, 3 new automatic gates and system upgrade. The consultant has begun the Wildlife Hazard Assessment.
- Sierra and D Lift Station: the contract was awarded on March 21. A preconstruction meeting was held. Work should start the first of June.
- C Street Water Main Replacement and Overlay Project: the contract was awarded on March 21. Construction will start about June 1.

- Public Works General
- We responded to 381 Work Orders in March.
- We performed 85 Underground Service Alert inspections.
- Completed benches at Dorada Park, picnic table and bench replacements will commence to be constructed by the Eagle Scouts in late May

# <u>Water</u>

- Irrigation Water and Drought: since the drought regulations started, which includes comparable water usage monitoring to similar dates in 2013, water usage in April 2016 was 46% below usage in 2013 in the same month.
- Meter Conversion: we are surveying routes for meter upgrades. We are planning to have all routes converted to radio-read meters and radio tower system in place to automatically send all meter data directly to the Finance Department within two years sooner if possible. Surveys continue. These are being conducted in house when time permits. Still continuing.
- Water Wells: We performed weekly checks on all water wells.
  - We completed painting all equipment and plumbing at Well 6. Next phase is to install a backup generator.
  - We have pulled the motor from Well 3 for inspection and maintenance. This is the well up by the Water Tank in Valley View Park. We have videoed the well column and can see that build-up is starting to block the screens that let the water in. The well column has been scrubed and inspected ready for re installation. Waiting for cost for pump rehab and installation. Part of this is based on the condition of the well column.
- **Backflow Devices:** Preparing letters to be sent to water customers to have their backflow devices inspected as required by law.
- Water Meters: we read 7,700 water meters; 2,200 of them manually. This task is monthly.
- New water meter sets: 33
- **Meter Shut-offs:** we shut off 104 meters for non-payment last month. All were turned back on after payment was made.
- Water Testing: we tested 35 water samples and had a 100% pass rate. Monthly task.

# Sewer/Wastewater Treatment Plant

• **Grease:** our Vac-truck and crew have cleaned 35 trouble sewer locations. This is a monthly task.

- Wastewater Treatment Plant (WWTP): the plant is processing about 1.5 million gallons per day (MGD) or about 1,042 gallons per minute. We receive up to 5 MGD during storm events. Installed the new Headworks Screening unit.
- Lift Station Checks: we performed weekly sewer lift station site checks.
- Other Lift Station Work: we cleaned the wet pits in nine (2) sewer lift stations and performed scheduled maintenance on five (9) other lift stations.

# Streets and Storm Drains

- J Street Realignment: we have been working with Oak Valley Hospital's new design firm and have agreed on what the improvements to this section will look like. We are waiting for the hospital to ready their parking lot project so that they can take advantage of economies of scale and construct both projects at once. We are scheduling the improvements for Planning Commission approval at the May 4<sup>th</sup> meeting then on to City Council at the May 16<sup>th</sup> meeting.
- Street Patching: we put down 20 tons of street patch and pot- hole filling.
- Crack Sealing: 2500 feet
- Street striping: <u>300 feet</u>
- Street Lights: we replaced two light pole assemblies last month.
- We are working on replacing all the Downtown lights with LED lights through a program that PG&E has, which will allow us to finance the retrofit on our bill without paying any more than we do currently. Moving closer to commence work within 30 days.
  - We also have made application with PG&E for a new light at the intersection of E Street and 5<sup>th</sup> Avenue due to high crime. PG&E has scheduled the light for installation.
- Automatic Generators: we exercised 10 generators last month. (Weekly task-15 minute run time per week.)

### Building Division – April Permits

- 67 Permits Total Issued
- 10 single family dwellings
- 15 residential solar
- 5 commercial remodels
- 67 total inspections in February

### Subdivisions:

- JKB Homes has two working subdivisions in Bridle Ridge around Greger and Mustang. They are looking at the possibility of purchasing more subdivisions in that area, mostly north of Greger. To date they have constructed 39 of 44 lots in Phase II and 26 of 56 lots in Phase III. Phase IV lot grading underway for additional lots.
- Beck Homes has a working subdivision off of Orsi Road, south of Lando. To date they have built all but 8 lots in the Sterling Hills Subdivision. Applications for the remaining 8 lots are ready to issue.
- Navigator Development: Tesoro Subdivision across from the golf course on Stearns Road. They are in the preliminary design stage for a second, non-gated subdivision to the west of Tesoro. To date they have pulled permits for 38 of the 86 lots in Phase I, as well as the Clubhouse building for the gated community.
- Lafferty Homes: Has 49 infill lots on and around Greger in the Shire Park area of Bridle Ridge. Permits will be issued in 3 phases. 18 Permits have been issued and construction started for Phase I. This includes two model homes on Greger St.
- Bran Homes has a four lot subdivision on Cloverland near Old Stockton Road. In 2<sup>nd</sup> Plan Review. Preparing plans for second permit submittal.
- The Carter Company is working toward approval of a 16 unit small lot subdivision on E. G Street. Building Permit fee estimates have been provided to developer to assist them with cost analysis.

Code Enforcement

• **Code Enforcement Officer:** although we lost our part-time code enforcement person, we still responded to code enforcement complaints. The new Code

Enforcement/Water Conservation Specialist, Lane Avilla, will begin work on May 16<sup>th</sup>.

- Received 20 new hotline cases.
- We responded to 6 cases and closed 12 cases.
- We have 10 new and/or ongoing cases.
- Scheduled 2 Gilton bulky-item pick-ups.

### <u>Energy</u>

• **Solar Farm:** we held another round of interviews with the three solar firms. Councilmen McCarty and Murdock were present. We are hoping to get to the full City Council soon.

### <u>General</u>

• **Capital Improvement Program:** we are prioritizing capital projects and outlay purchases now that the Master Plans have been adopted. The CIP is still being worked on and refined.

### <u>Parks</u>

- **Park and Landscape Strips:** We have completed start-up inspections to turf irrigation systems. Irrigation water is on.
- Park Inspections: we inspect 8 park playgrounds monthly for safety last.
- Aeration: we aerated turf areas in all City parks. Fertilizer will commence by the end of May
- Weed Control: we began seasonal weed control in parks and roadway landscaping areas. This will continue through May
- Street Trees: Greger /sidestreet bump outs landscaping is complete.
- **TL Davis:** All valves have been found in the park. They are covered in sand for now.
- Mowing: Turf mowing is now weekly.

## <u>Airport</u>

- Wildlife Hazard Assessment (WHA): the consultant for the WHA has begun work.
- **Grants:** We submitted two grants requests to the FAA on 12/31. A request in the amount of \$83,800 for the Airport Fence Project Phase I, noted in the CIP portion of this document and a request in the amount of \$260,200 for the Airport Pavement Rehabilitation Design Project.
- Erosion Control Remediation contract commences 5/10.
- Lighting: we repaired lighting at the airport.

## Encroachment Permits

• 5 permits issued in April
