Forecasts from the National Weather Service are calling for notable changes in the weather for Northern California Wednesday through Friday evening this week. This storm is expected to bring significant rainfall and high winds. The safety and well-being of our residents is our number one priority. When storm events like this one occur, several City departments work in tandem to prepare and respond.

Below is helpful information regarding City services during storm events.

*For life-threatening situations or structural damage, dial 9-1-1*

- **Sandbags:**

As a service to citizens, the City of Oakdale operates a sandbag pickup operation. Oakdale Residents can pickup sandbags for use during storm events to prevent damage and flooding on their property. Sandbags are FREE for Oakdale residents.
