Re: **June 2017 Administration Department Report**

In an effort to highlight the work being done by all City Departments, City staff provides monthly activity reports to the City Council at the 2nd City Council meeting of each month. These reports are included in the agenda packet as an informational item but council members are encouraged to ask questions about any of the items listed in the report. The purpose of these reports is to help keep the City Council and the public apprised of the work being done in all areas of city operations.

Administration Department Activities

- Marijuana Workshop: An educational workshop on the Adult Use Marijuana Act was held on Monday, April 10, 2017. A presentation was given by the City's legal counsel on the aspects of the new laws on marijuana use. A special City Council Meeting has been scheduled to discuss this topic in more detail on Thursday, April 27, 2017 at 6pm at the City Council Chambers located at 277 North 2nd Avenue. The special City Council meeting on April 27, 2017 was attended by about 30 people. The majority of those in attendance were from Oakdale. **UPDATE: The City has developed a Cannabis Pilot Program Application process for individuals interested in opening a cannabis related business in Oakdale. Currently all commercial cannabis operations are banned in Oakdale. The application process was implemented to find out if and what type of businesses are interested in coming to the City of Oakdale. Pre-submittal conference were held on Tuesday, May 30th and Wednesday, June 14th. Over 150 individuals attended the meetings. Proposals are due on Monday, June 19, 2017.**
- Met with the school district to coordinate the road construction work planned for Johnson Avenue, Lee Avenue and Pontiac Street that is scheduled to take place between June 1, 2017 and July 31, 2017. The City's goal is to start and complete these road improvement projects while school is out of session. The City has received bids for these projects and the bids will be presented to the City Council on Monday, May 15, 2017. If approved by the City Council the City of Oakdale will be one of the first cities to start a project funded by Measure L. The road work is anticipated to begin in early June 2017. **UPDATE: Work has already begun on these street segments. The contractor anticipates having the road work completed and open to full traffic prior to school returning to session in August 2017.**

- Staff is in the process of developing the City's Fiscal Year 2017-2018 Preliminary Budget. Administration staff is meeting with individual departments to review and assess their budget requests. Staff hopes to schedule a budget workshop with the City Council during the week of May 22nd to begin discussions on the budget with the desire of having the City Council adopt the Preliminary Budget at its June 5, 2017 City Council meeting. **UPDATE: The City Council approved the FY 2017-2018 budget at its June 5, 2017 meeting.**
- East F Street Specific Plan: We have restarted our East F Street Specific Plan conference calls and we are making progress on the project. We are taking steps to complete required traffic studies and financial analysis so that we can move forward with the specific plan amendment process. The City has hired a traffic consultant on behalf of the East F Street Specific Plan developer to assess the traffic impacts associated with the revised specific plan land use designations. The consultant has already started their data gathering efforts. This is great news since the work needed to be completed before schools closed for the summer. **UPDATE: The traffic consultant is nearly done with his work and we expect a final report in the next few weeks. Staff continues to work with the project to determine the D Street alignment that will connect N. Stearns Road to N. Maag Avenue. The City is in the process of entering into an agreement with a right of way agent on behalf of the East F Street Specific Plan project to move forward with the acquisition/purchase of land needed to build the roadway behind the rodeo grounds.**
- Close Out of Redevelopment Agency Activities: Staff continues to work with the State Department of Finance to close out the activities of the former Redevelopment Agency of the City of Oakdale. Staff has submitted its last and final Recognized Obligation Payment Schedule to the state and is working with them on some minor edits. This step is very important since once it is completed and signed off by the State the City will be able to use approximately \$800,000 in past redevelopment agency bond proceeds to help construct the D Street extension to N. Stearns Road.
- Focus on Prevention: The City Manager attended the Thursday, June 1, 2017 Focus on Prevention meeting that focused on strengthening families. City Manager Whitemyer will sit on the Strengthening Families Action Council going forward.
- Emergency Operations Center: Staff conducted a periodic review of the City's Emergency Operations Center to ensure things are in order in case the center needs to be activated.

Re: **June 2017 City Clerk Department Report**

Legislative

- Prepared and processed the City Council agenda packet for the regular meetings of May 1 and May 15, 2017 and prepared and processed Special City Council agendas for May 15, 2017 and June 1, 2017.
- Attended two City Council meetings during the month of May.
- Prepared and finalized City Council 8 resolutions for the Mayor's and Clerk's signatures. Copies of the resolutions were then distributed and scanned in the City's Records Retention System.
- Prepared the draft City Council meeting minutes for the May 1 and May 15, 2017.
- Prepared staff report - Claim for Damage Rejection – Mary Ann Mercurio.
- Processed and finalized contracts and/or notices to proceed with:
 - 1) United Pavement Maintenance, Inc. for the 2017 Street Overlay Project;
 - 2) George Reed Inc. for the South Yosemite Avenue Surface Improvement Project;
 - 3) Churchwell White LLP for City Attorney Services;
 - 4) KD Anderson & Associates, Inc. for East "F" Street Traffic Engineering Consultant Services;
 - 5) Seifel Consulting, Inc. for Fiscal Consultant's Report Advisory Services Work Program;
 - 6) Bear Electrical Solutions for Traffic Signal Maintenance (contract extension);
 - 7) Ontel Security Services, Inc. for City Facility Security Services; and,
 - 8) Quality Sound for Gladys Lemmons Senior Center Sound System Upgrade.
- Prepared and submitted for publication public hearing notice for 2017-2018 Fiscal Year Budget Hearing on June 5, 2017.
- Complied with second Public Records Request for City employee salaries and benefits.
- Records Management – Ongoing.

General Administration

- Processed for one claim rejection related to property damage.
- Continued processing two pending claims for damages.
- Performed notary services.
- Finalized 4 Special Event Applications and met with Oakdale Farmers Market Event Organizer.

Re: **June 2017 Public Services Department Report for May**

AIRPORT DIVISION

MONTHLY DIVISION UPDATES

- **AIRPORT CAMERAS:** City Council authorized the \$15,851 Airport Camera Project. This Project will relocate one existing camera and add two additional pan/tilt/zoom cameras to the Airport. The new cameras will provide total view of the runway and taxiway. Oakdale PD will be added to the web-based viewer.
- **AIRPORT FENCE IMPROVEMENTS PHASE I:** Improvements consist of new fence at Laughlin Road and around park, 3 new automatic gates and system upgrade. The iron gate on Laughlin Road will be installed week of June 5. The Final Punchlist items are nearly complete.
- **AIRPORT PAVEMENT REHABILITATION - DESIGN:** This Projects scope of work includes all FAA Entitlement paved areas as well as Enterprise Funded Hangar L-4 Apron. 30% plans were reviewed with the FAA on May 4.
- **AIRPORT WELL PROJECT:** The Well Project will replace the 50+ year old domestic well. Staff has; been approved a budget from City Council in the amount of \$65,000. City Staff reviewed the Plans and Specs with the Consultant the week of May 8. City Staff is meeting with Stanislaus Consolidated Fire Protection District the week of June 5 to evaluate development needs as well as potable.
- **AIRPORT WILDLIFE HAZARD ASSESSMENT:** The consultant completed its 12-month survey on 3/31/17. It is common for the FAA to require a Wildlife Hazard Management Plan upon approval of the Assessment. The plan was submitted to the FAA by the Consultant on June 5.
- **AIRPORT FUEL:**
 - 8,504 gallons fuel, in the amount of \$31,627 was delivered on 5/25/2017.
 - 8,769 gallons fuel, in the amount of \$33,016 was delivered on 3/8/2017.
- **PILOTS CENTER:** Staff received comments from Stanislaus County on 5/31 regarding the volunteer drafted details submitted to the Building Department on May 8. Staff will resubmit revised plans for recheck mid-June.

BUILDING DIVISION

BUILDING PERMIT ACTIVITY	ISSUED
RESIDENTIAL-SINGLE FAMILY DWELLINGS	16
RESIDENTIAL REMODELS/ALTERATIONS	45
RESIDENTIAL-SOLAR	16
COMMERCIAL REMODELS	3
TOTAL INSPECTIONS	176
TOTAL PERMITS	94

MONTHLY DIVISION UPDATES

- **JKB LIVING:**
 - PH 2:** 99% build out, one lot left to develop.
 - PH 3:** Permits for remaining 6 lots have been requested
 - PH 4:** 47 lots – No update to report. Application for permits are on file.
 - PH 5:** 30 lots – under construction
- **NAVIGATOR DEVELOPMENT:** Tesoro Subdivision gated community across from golf course. 86 lot build in progress. 37 lots to complete build out. 15 currently under construction.
- **LAFFERTY HOMES:** 49 infill lots west side Bridle Ridge 10 permits for Phase II currently under construction.

CODE ENFORCEMENT DIVISION

CODE ENFORCEMENT ACTIVITY	NUMBER
NEW CASES RECEIVED	37
CASES RESPONDED	190
CASES CLOSED	24
NEW CASES YEAR TO DATE	228
CLOSED CASES YEAR TO DATE	174
OPEN CASES	116
GILTON BULKY-ITEM PICK UPS SCHEDULED	6

WATER CONSERVATION ACTIVITY	ISSUED
WATER CONSERVATION VIOLATION NOTICES ISSUED	3

MONTHLY DIVISION UPDATES

- Investigated **10** single family homes that had higher than normal water usage last month. Helped identify the high usage reasons and made recommendations if contact was made.

ENGINEERING DIVISION

ENGINEERING PERMIT ACTIVITY	ISSUED
ENCROACHMENT	9
TRANSPORTATION	0
FIRE HYDRANT	0
GRADING	1

MONTHLY DIVISION UPDATES

- J STREET/ Ash Street Tunnel Project:** City Engineer approved plans. Expecting to award bid for construction in summer 2017

MONTHLY CAPITAL IMPROVEMENT PROJECT UPDATES

- OAKDALE COMMUNITY PARK:** Received updated scheduled from contractor. Park is moving along and expected to be 95% complete by August. Ribbon Cutting scheduled for Saturday, September 16th.
- SIERRA AND D LIFT STATION:** All underground improvements are completed. Hardscape is completed. City Staff completed electrical improvements. PG&E work completed. The Lift station is fully operational. Engineers, constructor and staff are fine tuning its operation.
- VALLEY VIEW RIVER ACCESS TRAIL:** Contractor will start mobilization on July 5th.
- WELL NO. 10:** Block wall is complete. Contractor is working on fencing, pump and pedestal.
- C STREET PHASE 2 WATER LINE REPLACEMENT (6th TO YOSEMITE):** Water line passed first time on both their mandatory bacteriological test. Perming tie-ins and concrete work. The project is ahead of schedule.
- C STREET PHASE 2 PAVEMENT (6th TO YOSEMITE):** Construction should start August 1.
- C STREET PHASE III, WATER (YOSEMITE TO FIRST):** No bids received on May 4th. City to negotiate with local Contractor.
- C STREET PHASE III, PAVEMENT (YOSEMITE TO FIRST):** Plan design at 90%. Will schedule bid according to Phase III Water Project.
- 2017 PAVEMENT MAINTENANCE PROJECT:** The project consists of Lee and Johnson overlays and Pontiac reconstruction. Bids opened on May, 4th. Low bidder came in under engineers estimate. Notice to proceed issued May 31. Project is proceeding ahead of schedule.
- SOUTH YOSEMITE (F TO J):** The project consists of South Yosemite realignments, signal pole relocation at G and pavement work. Project was awarded May 15th. Notice to proceed to be issued in August.

- **SEWER CROSSING:** Consultant in pre-design due diligence. A design meeting with City Staff is scheduled for June.

PARKS DIVISION

WORK COMPLETED	NUMBER
PARK INSPECTIONS PERFORMED	4
IRRIGATION	On
PLAYGROUND REPAIRS	3

MONTHLY DIVISION UPDATES

- **PARK AND LANDSCAPE STRIPS:** Clean and adjust irrigation heads on a regular basis throughout summer. Repair irrigation breaks promptly throughout summer.
- **MOWING:** Mowing weekly.
- **IRRIGATION:** Establish summer water program.

PLANNING DIVISION

MONTHLY DIVISION UPDATES

APPLICATION	LOCATION	DESCRIPTION	STATUS
2014-14 Out of Boundary Water Agreement	Tioga Avenue	Water service	Agreement completed in DRAFT form. Next step is to meet with OID and ID41 to finalize Agreement and prepare for City Council Public Hearings.
2015-11 Tesoro II TSM	E. F Street	107 residential lots	Waiting for revised TSM from Applicant.
E. F Street Specific Plan Amendment	E. F Street Specific Plan	Land use modifications	Revised Specific Plan document submitted in September 2016 and currently in review. Awaiting further information from Developer/Applicant.
2017-02 Re-Zone to Planned Development, Tentative Subdivision Map & Tentative Parcel Map	1188 River Ave.	Rezone to PD to develop 21 Single Family Lots	Planning Commission approved project on May 4 th and recommended approval to City Council. City Council approved on June 5 th . Notice of Determination (CEQA will be filed with Records office on June 7 th .
2005-02 Planned Development Amendment	856 East H St.	Amendment proposed a 5'; side/rear yard setback on most lots with the exception of 2 lots	Currently working with Applicant on site layout and mapping modifications. Those modifications may affect amendment to PD. Said amendments to be determined. Original PD utilized 0 lot line setback concept. Amendment proposed a 5'; side/rear yard setback on most lots with the exception of 2 lots.

CRACK SEALING	1 ½ pallet
PLUGGED SEWER LIFT STATION PUMPS	18

MONTHLY DIVISION UPDATES

- **DOWNTOWN LIGHT REPLACEMENT:** We are working on replacing all the Downtown lights with LED lights through a program that PG&E has, which will allow us to finance the retrofit on our bill without paying any more than we do currently. Moving closer to commence work.
- **AUTOMATIC GENERATORS:** We exercised 10 generators last month. (Weekly task-15-minute run time per week.)
- **OTHER TASKS ASSIGNED**
 - Farmers Market once a week until September 20th
 - Sewer main repair on Pinkston Ave.
 - Repair irrigation main at Brennan Park
 - Set up and take down detour for the Oakdale Chocolate Festival/ fun run

WATER DIVISION

WORK COMPLETED	NUMBER
METER SHUT-OFFS	170
WATER METER READS	8023
MANUAL WATER METER READS	1503
WATER RELATED WORK ORDERS	220
WATER TESTING / SAMPLES-ROUTINE	30
WATER TESTING / SAMPLES-WELL HEADS	6
EMERGENCY WATER SERVICE LINE REPAIRS	1
WATER COMPLAINTS	47
UNDERGROUND SERVICE LOCATES FOR CITY UTILITIES	124

MONTHLY DIVISION UPDATES

- **IRRIGATION WATER & DROUGHT:** since the drought regulations started, which includes comparable water usage monitoring to similar dates in 2013, water usage in April 2017 was 35% below usage in 2013 in the same month.
- **METER CONVERSION:** We are planning to have all routes converted to radio-read meters and radio tower system in place to automatically send all meter data directly to the Finance Department within two years – sooner if possible. Surveys continue. These are being conducted in house when time permits. Continuing and to be completed by the end of 2017.
- **BACKFLOW DEVICES:** Second letters to be mailed out for non-compliant water customers to have their backflow devices inspected as required by law.
- **WATER SERVICE FAILURE:** 1” poly pipe service line failure. Spliced in new poly pipe to point of failure.

Re: June 2017 Police Department Report for May 2017

CRIME STATS - YTD

Below are the latest available crime stats for the calendar year to date (January-May 2016 vs January-May 2017 - Attachment A):

- Robbery is up from 2 in 2016 to 4 in 2017.
- Aggravated Assault is down 75% from 12 in 2016 to 3 in 2017.
- Rape is up 100% from 3 in 2016 to 6 in 2017.
- Simple Assault is down 31% from 77 in 2016 to 53 in 2017.
- Burglary is down 44% from 85 in 2016 to 48 in 2017.
- Vehicle Theft is up 3% from 31 in 2016 to 32 in 2017.
- Larceny is down 23% from 204 in 2016 to 157 in 2017.
- Non-Injury Collisions are up 4% from 48 in 2016 to 50 in 2017.
- Injury collisions are down 22% from 32 in 2016 to 25 in 2017.

INCIDENT BREAKDOWN

During the month of May, the Police Department responded to approximately 3,048 incidents/calls for service. Below is a list highlighting just a few of the various incident types and counts. The comprehensive list of incidents is attached to the end of this report (Attachment B).

Incidents by Incident Type May 2017	
Suspicious Person	104
Suspicious Vehicle	87
Audible Alarm	125
Silent Alarm	11
Reckless Driving	45
Pedestrian Contact	122
Disturbance	34
Noise Disturbance	31
Petty Theft	29
Burglary	12
Traffic Stop	465
New Warrants	143

PATROL

- On 5/5/2017, two OPD officers were dispatched to Monterey Lane and Laurel Ridge Court in regards to a suspicious vehicle. The reporting party stated that the individual inside the vehicle had been sleeping in the car for approximately 4 hours. After running the plates, Dispatch advised the officers the vehicle was listed as stolen. Officers then ordered the driver out of the vehicle and placed him in custody. A search of his person provided two syringes, with one that appeared to be used. The person was arrested and booked into the County Jail and contact was made with the vehicle's owner letting him know his vehicle had been recovered.
- On 5/6/2017, an OPD officer was dispatched to 900 Old Stockton Rd. for a report of shadows outside a residence. When they approached, they observed a vehicle parked next to the curb with its lights on and the driver passed out in the driver seat. The individual was recognized from previous law enforcement contacts and a warrants check advised there was a history of arrests involving drugs and theft and that they were on searchable probation.

During a search of the vehicle, the officer found a ring of shaved vehicle keys, commonly used as a tool for stealing vehicles. The person was arrested and booked into the County Jail.

- On 5/18/2017, an OPD officer made contact with a person who was on searchable felony probation for multiple offenses. In searching the person, the officer found a Wells Fargo credit card in their pocket under someone else's name, two hypodermic syringes, one filled with a substance believed to be liquid methamphetamine, a glass pipe used for smoking meth and marijuana, and a jewelry box full of marijuana. The person was arrested and booked into the County Jail.
- Officers continue to conduct traffic enforcement at the intersections of Greger Street and Shire Way, Greger Street and Parkside Way and Maag Avenue and D Street in efforts to combat chronic stop sign running.
- Officers responded to and investigated several "transient type" complaints in May. Each complaint is investigated and subject are cited when appropriate. Officers will continue to contact the transient population daily for purposes of outreach, security checks and enforcement.

EVENTS AND PROJECTS

- With the support of our CAPS, Explorers, Animal Shelter personnel, and Reserve Officers, the Police Department provided a large presence at this year's Chocolate Festival. CAPS provided free youth fingerprinting services and handed out stickers and pencils, and Animal Shelter personnel provided watering stations for canine attendees and also extra enforcement. We also had officers on bicycle and foot patrol.
- Staff is currently working on an Ordinance adding Article VI "Disposal of Pharmaceutical Controlled Substances" to Chapter 14 Health and Sanitation of the Oakdale City Code, allowing a secure drop box in association with the Drop the Drugs Prescription Medication Disposal Program, to be placed in the lobby of OPD for the safe disposal of unwanted, unused, or expired pharmaceutical controlled substances.
- Staff continues to plan and prepare for this year's National Night Out Program event scheduled for 8/2/2017. We have received several donations from various local businesses and service groups.
- The Department recently took possession of a MRAP vehicle through the California Public Safety Procurement Program (CPSPP) also known as the 1033 Program. The Department has been lacking an armored vehicle asset for quite some time and will benefit from not having to wait for over an hour for the nearest allied agency to provide one when urgently needed for the rescue of officers and citizens and/or response to critical incidents. We have begun the demilitarization process of the vehicle, removing unnecessary equipment to make it better suited for civilian police use and will be putting a coat of black paint and subdued decals on it in the coming weeks.

With the arrival of our recently acquired Armored Rescue Vehicle, the Department has begun development of a program to make the vehicle a mission ready asset for response/rescue to critical incidents. As such, staff will be identifying and selecting a team supervisor and designated drivers/operators.

- Sgt. Savage and SRO Taylor have been appointed to the newly established OPD Unmanned Aerial System UAS Unit. They will be coordinating the development and expansion of the UAS Unit over the next several months, including the Federal Aviation Administration (FAA) certification of our program.

- The department was awarded a \$37,735 grant from the California Department of Alcoholic Beverage Control (ABC). This grant will cover costs to facilitate several “compliance check” operations throughout the year.
- Supervisor Yates, PSC Hilgen and Sgt. Savage attended the Countywide Court Discovery Working Group meeting a few weeks ago. The meetings are a series of workgroups the District Attorney’s office hosts in efforts to streamline and standardize practices between county agencies and their office.
- The Police Department’s two volunteers attending the 10-week Volunteer Academy at the Ray Simon Criminal Justice Training Center, are a little over the halfway point of their training. CAPS and Oakdale Police Department personnel have been assisting in their training.
- Staff is working with the City of Riverbank on updating the contract and budget for the Animal Services Contract.
- PSC Hilgen and Administrative Detective Sgt. Savage continue to work on a full inventory audit of the evidence room.
- PSC Hilgen continues to work with the Public Services Department on the range building and on drainage system issues at the range.
- On 5/10/2017, Officer Jonathan Burch was the recipient of the Annual Civitan’s Hometown Heroes Officer of the Year award. The Civitan Club has presented the Law Enforcement award, each year, to one deserving person since 1954. In 1988, the Club expanded the award to include the Modesto, Oakdale, Newman, Turlock, Hughson, Patterson, Ceres, Waterford and Escalon Police Departments, the Stanislaus Sheriff Department, California Highway Patrol, and California State University Police. We congratulate Officer Burch on his award.
- On 5/15/17, Heather Tamburrino was appointed to the position of Public Safety Dispatcher/Clerk. This appointment will trigger the implementation of the reclassification of the two Police Records Clerk positions to Public Safety Dispatcher/Clerk positions, resulting in an increase from six to eight Public Safety Dispatcher/Clerk positions. This will provide more efficiency and flexibility in the Communications Center. We congratulate Heather on her achievement.

RECRUITMENT

- An Oral Board Assessment for Public Safety Dispatcher/Clerk is scheduled for 6/2/2017. Eight applicants are expected to test. We have the top three candidates from the previous test currently in the background process. They will be placed on an eligibility list which will be used to fill current and future vacancies.

In efforts to keep a current and continuous eligibility list, we will continue to hold ongoing recruitments for this position for both full-time and part-time status.

- The recruitment for the vacant Crossing Guard position is ongoing.

ONGOING

- Patrol Officers continue to attend Neighborhood Watch meetings.
- We continue to hold ongoing recruitment for CAPS and Explorer members.
- We had one Dispatcher attend a three-week Basic Dispatcher Training Academy in the month of May.
- Staff received the graffiti report for the month of May from the city's TAG (Team-up Against Graffiti) coordinator Mike Hancock. He reported that there were no outstanding graffiti incidents at the end of May and that it was the second-best month of 2017 with six graffiti incidents cleared. There was one gang related graffiti in the south-west central part of town. A map showing graffiti incidents YTD is attached (Attachment C).

Stanislaus Consolidated Fire Protection District
Rick Weigele, Fire Chief
3324 Topeka Street
Riverbank, CA 95367
Phone: (209) 869-7470 · Fax: (209) 869-7475
www.scfpd.us

STAFF REPORT

TO: SCFPD Board of Directors

FROM: Kevin Wise, Battalion Chief

SUBJECT: Fire Chief Report

DATE: June 8, 2017

Worker's Compensation

We currently have one member on worker's compensation and he is working modified duty. As mentioned last month, the Districts experience modification rating has gone down due to the decrease in worker compensation related claims. This decrease will save the District approximately \$160,000 in the next Fiscal Year.

Budget

A budget workshop was held prior to the May Board of Directors meeting. There was a Finance Meeting held on June 1st to discuss different options for the Preliminary Budget. Unfortunately, both Chief Weigele and Chief Wise were out sick and could not attend the meeting. Staff will present a preliminary budget at the June Board of Directors meeting based on the recommendations made during the budget workshop and the District's Finance Committee.

Labor Negotiations

Chief Wapnowski and Chief Wise met with the labor group's negotiating team to discuss language concerns in the MOU. Negotiations with the Battalion Chiefs are ongoing.

New Fire Chief

Chief Weigele started with the District on May 22nd. He has met with staff and as many of the firefighters as he could during his first two weeks. He is currently transitioning from Anderson, California to Stanislaus County. Welcome, Chief!

Admin II

Staff has decided terminate the current recruitment for the Administrative Assistant II position. A new recruitment will begin once Chief Weigele makes the determination to do so.

Ceres

Chief Weigele and Chief Wapnowski met with the city manager from the City of Ceres to discuss potential partnership options.

Significant Incidents: (12) Confirmed Significant Structure Responses, (8) Significant Medical Responses, (11) Significant Vehicle MVA / Rescues, (11) Significant Water Related Incidents

Current Operational Items: Captain Whorton is still working through the final stages with the graphics

company to outfit the last few remaining staff vehicles with the new District logo design.

Chief Wise is still working through the process of submitting State and Federal paperwork to request reimbursement funding for the recent floods that occurred back in January & February 2017.

Captain Peterson & Captain Bray continue to work on updating the Districts Multi-Jurisdictional Hazardous Mitigation Plan they continue to work with County staff the next meeting is scheduled for June 7th, 2017.

The Paramedic Program is in the final implementation process. The program implementation timeline is as follows:

- Program site inspection by Mountain-Valley EMS on June 6, 2017
- Program approval by MVEMSA Board of Directors on June 7, 2017
- Program approval by County EMSC on June 8, 2017
- Final Medical Director approval on June 8, 2017
- Final wrap-up and program follow-up June 8th – June 30th
- Paramedic Program “Go Live” July 1st, 2017 12:01am

Final equipment & medication delivery is currently underway.

2017 Fire Season preparation is underway for response personnel and CICCS overhead positions. The Annual certification training and Sacramento Cal-OES Region 4 Management meeting were held over the past few weeks. The Stanislaus County XST Annual meeting was held on June 1st, while crews still continue to complete the annual RT-130 Refresher training prior to Fire Season.

New Apparatus update, two apparatus committee members traveled to South Dakota to start the preliminary design process on the replacement fire engine for E24. The new Water tender has been delivered and crews are currently in the process of conducting the in-service training with an estimated completion time of 30 days.

The District as well as the rest of the County Fire service recently went through the CAD 2.1 upgrade as well as the implementation of DTMF for the MCS agencies. SR911 technicians continue to work through the new system bugs and short falls this has been creating significant radio and dispatching challenges throughout the County system.

Staff continues to work with our contract agency Oakdale Fire Protection District to resolve Division 1 North coverage and revenue generation with the County CEO & Kristen Olsen. Both sides are productively working through the negotiation process with hopeful resolve within the next few meetings.

District Staff and contractors continue to make significant progress on the new Fire Station #24. The estimated completion date early fall 2017. The final land deed and title transfers have been completed between the City of Waterford and the Fire District.

District Staff conducted a meeting with the City of Ceres City Manager on May 31st to discuss potential Administrative contract and future contract for service opportunities with SCFPD. Staff will be working with the City manager over the next couple of weeks to generate the necessary financial outlook and any efficiency that can be gained for both agencies. Further formal updates to the Board will occur as we move forward in the process.

7 Month Probationary testing was conducted for Probationary Goeppert, Barnes and Richmond. All three

candidates successfully passed their probationary testing.

Swift Water Rescue crews remain very active either with annual training and/or actual rescues on the waterways of the district. River release flows continue to be a big concern for public safety as the winter snow pack continues to melt at a rapid pace. This will continue to be a concern for public safety as we move forward over the next few months.

Community Events: Operational personnel assisted in numerous community events over the past 30 days. The following events were held throughout the fire district:

- Public Education event at Fair Oaks School
- Public Education event at Cloverland School
- Oakdale Relay for Life
- Instructed CPR courses at Ball Corporation
- Oakdale Chocolate Festival
- Stanislaus Cardiac Survivors event
- Funeral Ceremony for (2) fallen Sheriff Deputies at Lakewood Memorial Park.
- Riverbank Veterans Memorial Service

Intern Report: Four potential candidates have moved onto the next phase of the hiring selection process and have started the background process. No other information available at the time of the report.

Explorer Post 3399: During the past month, the district Explorer program remains very active. The explorers continue to train on the various aspects of the fire service. The explorer program continues to be an important component of operational support for the paid staff while assisting throughout daily operations and responses. No other information available at the time of the report.

STAFF REPORT

TO: President Zanker and Members of the Board of Directors
FROM: Captain Tim Johnson, Training Officer
SUBJECT: May Training Report
DATE: June 8, 2017

Completed Training for May 2017

- May was a busy month for both training and incidents.
- 426.5 Hours – Online Training (Target Solutions).
- 945.45 Hours – Hands-on and Classroom Training logged into SCFPD RMS.
- Total Hours of Training for May – 1371.95 hours.
- SCFPD personnel participated in various trainings this month including but not limited to:
 - Continued High Performance CPR Scenario Training with Oak Valley Ambulance crews totaling 32 hours of training for our personnel.
 - Wildland Refresher Training: This month, 65 of 72 line personnel have completed their hands on annual wildland refresher training totaling more than 190 hours of training.
 - SCFPD Personnel logged 49 hours of Physical Fitness training for the month of May.
 - SCFPD Participated in a wildland live fire training exercise hosted by Turlock City Fire Department. The training was located at the Turlock Airport on Newport Drive in Ballico.
 - Fire Suppression personnel participated in an Electric Safety for First Responders Class hosted MID and TID. The class was held at MFD Station 1, and broadcasted via Goto Meeting to all resource sharing stations.
- Members of Academy 2016-02 successfully completed their seven-month probationary test. Great job to the probationary firefighters and their crews! They are now preparing for their ten-month probationary test.

Upcoming Training for June

- June 13th HazMat team training.
- Remaining SCFPD Personnel will complete the hands-on training portion for our annual wildland refresher training.
- Crews will participate in equipment familiarization and driver's training with the new water tender.
- June 5th we will be conducting a CPR/AED/First Aid and Blood Borne Pathogen training for the City of Riverbank.

June 5th, 2017

SCFPD Board of Directors

President Larson-Zanker

Director Green

Director Woods

Director Guzman

As we had been discussing for months, the Fire Ops 101, was held on May 20th and was a great success. While, we had some complications with our event being the same day as the chocolate festival, it was great to see a representative from the SCFPD board and the Oakdale City council there to see first hand what, and how we do what we do. I truly greatly appreciated all of those who were able to attend. The opportunity to take some time and to get a chance to see first hand the demands that this profession places on individuals. It gave those in attendance a opportunity "to see first hand what you do by walking in your shoes(literally)".

The experience and feedback received was extremely positive. From the state Assemblymen, Heath Flora giving the opening remarks as well as State Senator Tom Berryhill's first hand personal testimony, as to the life saving abilities of the first arriving fire crews abilities, and positive end results. The participants, the local members, and on duty crews, all had a phenomenal time and throughly got a lot out of the entire experience. Our partnership with our MCS partners also helped make this a fantastic event. The Ceres Fire Department and Modesto Fire Departments participation was a great showing our abilities to work together towards common goals. So thank you for your support of this endeavor, and we have already begun discussions of doing this event again next year so be on the look out for it.

The local is happy to have Chief Weigele on board and look forward to working with him and the rest of the SCFPD management team to continue our progress and work towards our mutual goals. Welcome aboard!

The June 17th date for the Board and Union BBQ will need to be postponed due to some scheduling and timing issues. We will reach out and set up another time in the near future to continue to work on it.

Please feel free at any time to reach out with any questions and or concerns.

Humbly,
Shawn Ehrenberg
President SCFFA L3399
